

## Master Castle List

### Description

## 416 Castles and counting.....

Castles.....Our Happy Place

Our obsession with castles started with Trim Castle in Ireland, which opened doors we never imagined. It was the first full day of our trip and Ryan's first European travels. The best way to describe it was, "There was magic in them, their walls" that has never dimmed.

I watched a young man jet-lagged and apprehensive of what was ahead come fully alive and engaged. It was his epiphany and panacea. It was like taking a child to a toy store and telling them the whole store was all for them. The joy and excitement I observed were contagious and exhilarating. We did not know then its impact on both our lives. It became the central theme of our next trip and continues to be a priority at every destination.

### Do we ever tire of castles?

No, we continue to be amazed at how unique and fascinating they are, even the simplest of ruins. It is often about allowing your imagination to go back in time. We marveled and were in awe of the architecture and the long and complicated construction process it must have taken. Some of these incredible castles are sometimes still standing 1000 years later. These magnificent structures have many stories to tell if you listen carefully. Maybe we romanticize what must have been a harsh and challenging existence. But it is often what fairy tales are made of, for a good reason.

This Master Castle list includes all the castles we have personally visited. Our definition of castles is broad. We will often include fortresses and citadels under this category and palaces that date back several centuries. Then there are just a few fun modern castles, like the ones in the Disney Parks. We have broken the list down by country, not in the order we saw them.

Most [castles](#) have a link associated with them. Click on the castle name to be taken to a website for

more information. Some castles, mainly in Croatia, have no link because either we could not find a reputable site or there was no link, and we tried! With each trip, the list grows, and we always welcome suggestions. We would love it if you shared your favorite castles.

We hope to share a little of the magic of our discovered castles. Open your hearts and eyes to their story, and you will be well rewarded.

## **Our Top Recommended [Travel Products and Resources](#)**

[Squaremouth.com](#)

Our favorite travel insurance site!

If you book a trip, don't forget to get travel insurance within 14 days of your first booking. We could not be stronger advocates of being well-insured. Not just for the little stuff but the big things like medical emergencies. We never leave home without it. Over the years, we have used many sites but have now found our go-to place. [Squaremouth.com](#) does a fantastic job; it has a user-friendly interface, usestop-rated and reputable insurance carriers, and most policies cover COVID-19 medical issues and cancellations. They also mediate on your behalf if you have problems with your policy.

To empower you as a consumer, we suggest you read our [blog post](#) on the importance of travel insurance and how to get the best coverage from top-rated companies for an affordable price.

### [MedjetAssist](#)

#### **Medical transport back home from anywhere in the world**

They are the premier global air medical transport. One caveat to travel insurance is that medical evacuation usually gets you to the closest facility to care for you. Medjet gets you back to the U.S. to the hospital of your choice once you are stable enough to fly. They cover COVID-related transport as well.

[Medjet](#) carries its own policies. These policies are only for transport and do not cover other aspects of travel insurance. They have individual trip policies starting at \$99 and annual policies for around \$300. Most of their policies limit the age to 74 and younger. Prices are not based on age below that.

To learn more about how Medical Evacuation membership with Medjet Assist works, check out our [blog post](#) for a more detailed review.

### [Expedia.com](#)

#### **Hotels, home rentals, BNBs, flights, and other transportation & tours**

[Expedia](#) is a US-based company whose mission is to power global travel for everyone and everywhere. Whether planning a family vacation, booking for business, or organizing the trip of a lifetime, they are a fantastic resource. Wanderers Compass focuses on independent travel, and using sites like [Expedia](#) makes that possible. Every aspect of travel you need, from airfare, accommodations, rental car, and cruises to activities to do at your destination, can be booked on [Expedia](#).

### [Booking.com](#)

#### **Hotels, Home rentals, BNBs, Flights, and other Transportation & Tours**

[Booking.com](#) connects millions of travelers to memorable experiences, various transportation options, and incredible places to stay – from homes to hotels and much more. It is one of the world's largest travel marketplaces for established brands and entrepreneurs of all sizes.

We always check Expedia and Booking.com to verify prices. At times, one is sold out of rooms while another at the same place has rooms. We also often find some European hotels, especially smaller

ones, on Booking.com but not on Expedia. It could be they are a Europe-based company. Try both before booking accommodations.

### **Vacation Rental By Owner (VRBO)**

#### **Are you traveling with a family or having an extended stay at your destination?**

With over 2 million bookable vacation rentals, [VRBO](#) connects homeowners with families and vacationers looking for something more than a hotel for their trip. The [VRBO](#) community offers families or groups various rental property types such as condos, cabins, lake rentals, beach houses, etc.

[VRBO](#) is now under the Expedia group's ownership, which many were worried about, but it hasn't panned out to be a concern. It is a massive network with access to all lodging forms should issues arise. Joelle has used VRBO for many years with her family and has had no problems with it.

### **Viator**

As the leading marketplace for travel experiences, [Viator](#) believes that making memories is what travel is all about. And with 300,000+ experiences to explore—everything from simple tours to extreme adventures (and all the niche, interesting stuff in between)—making memories that will last a lifetime has never been easier.

With industry-leading flexibility and last-minute availability, it's never too late to make any day extraordinary. This one site has it all and has experiences throughout the world. We use them often during our travels, especially for food tours. We especially take the time to read the reviews provided.

Those applications require a picture that must meet specific conditions to be accepted, depending on the country. Now, it is possible to take this picture at home without the help of a professional photographer. PhotoAiD allows you to take the perfect biometric photo you approve without leaving home.
